

Borrower eConsent

RMS Ready - Mobile App

1. You will first receive an email to complete eConsent and you will select the **Get Started** button.

RMS Ready Account Creation

2. Select 'Get Started' on RMS Ready mobile app
3. Enter your email address – this should match the email address that the eConsent request was sent to
4. Select to have a verification code sent to your mobile phone number or email address
5. Enter the verification code
6. Confirm first name and last name
7. Confirm mobile phone number
8. Create a password for your RMS Ready account - you'll then be brought to your dashboard

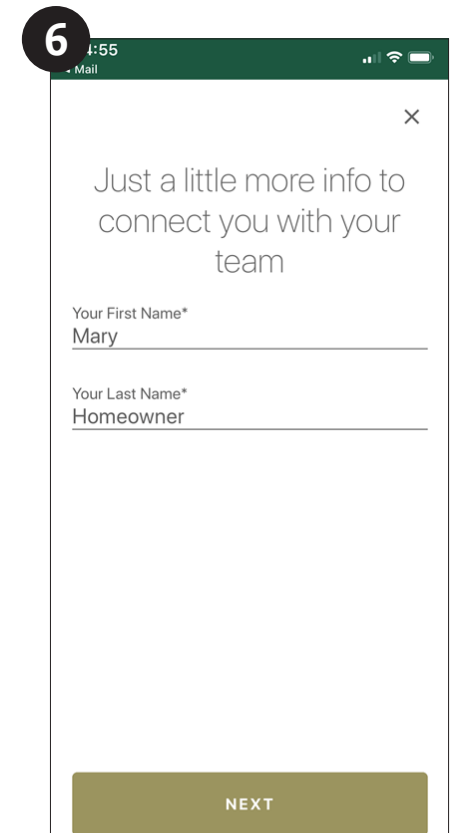

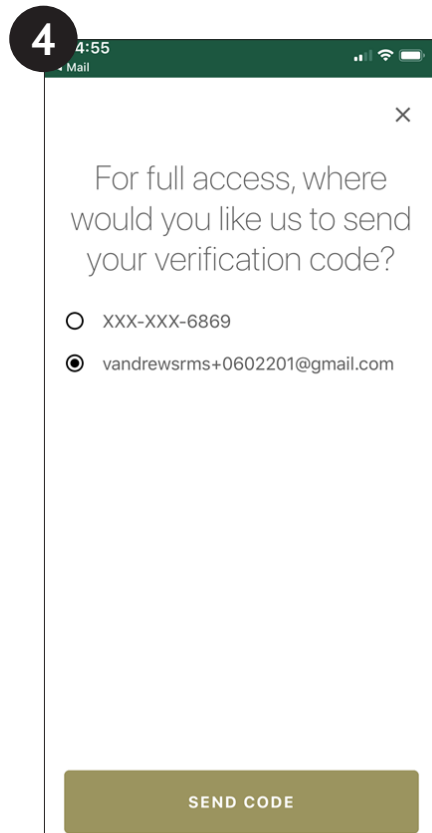

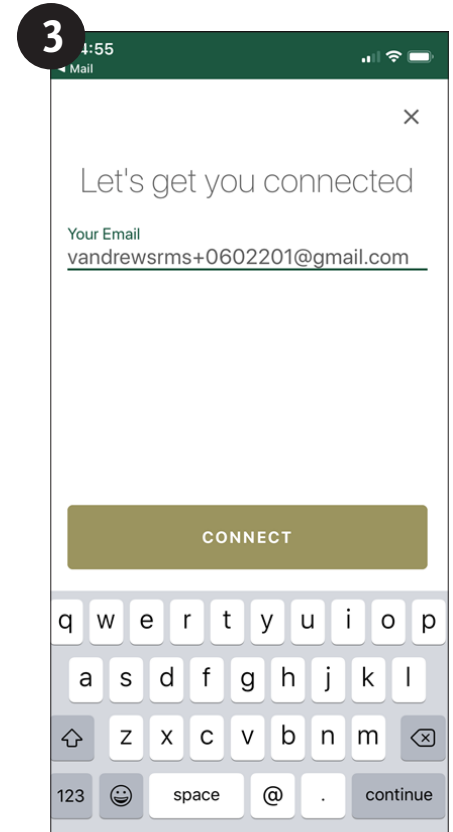

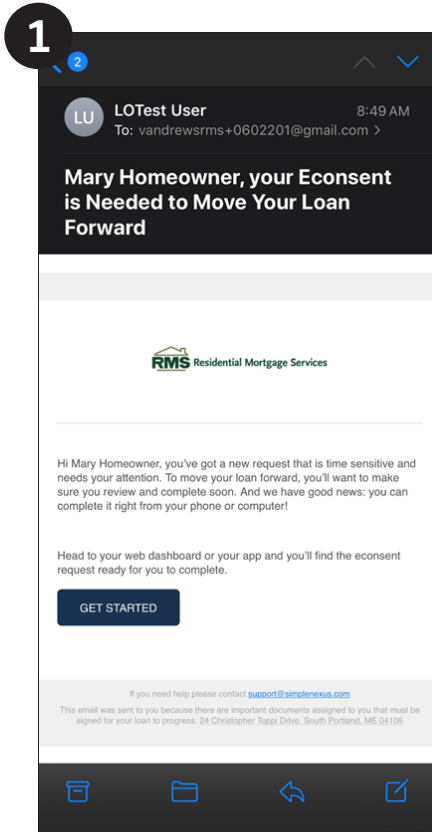

eConsent

9. The mobile app should bring you to the **My Loan** page where you will see the **eConsent Request** task in the **Requested Docs** section
 - If you are brought to the **Info** page, you would need to select **My Loan** on the bottom menu of the RMS Ready mobile app
 - Select the **eConsent Request** task to take action
10. Review the eConsent language and scroll to the bottom of the page to Agree or Disagree
 - If **Disagree**, you will not be able to continue
 - If **Agree**, you can continue
11. You will be returned to the **My Loan** page where you will see the task **eConsent Request** marked as **Borrower Accepted**
